<p>* Federal Regulations require all WIC programs to obtain a formula rebate contract for cost containment. Chickasaw Nation WIC contracts with Nestle Infant Nutrition.</p>	
<p><b>*** NOTE:</b> The medical diagnosis must be consistent with the formula prescribed. The powder formula will be issued unless the formula is only available as ready-to-feed. If ready-to-feed-formula is needed when a powder form is available, the medical documentation should include rationale for use of the ready-to-feed.</p>
